# VISITING OUR OFFICE LIGHT RAIL Seech

## CENTRAL LINK LIGHT RAIL DIRECTIONS (SEA-TAC AIRPORT TO DOWNTOWN SEATTLE)

Once you arrive at Sea-Tac Airport, cross any of the sky bridges, all of which lead directly into the parking garage. Once you are in the parking garage, turn left and stay left as you continue to walk. You will soon notice a dedicated pathway that rests alongside the far left perimeter/edge/wall of the parking garage; this pathway leads directly to the Central Link Light Rail Station. The duration is the equivalent of walking I-2 blocks, depending upon which sky bridge you cross.

As soon as you enter the Central Link Light Rail Station, please visit a Ticket Vending Machine (TVM) in order to buy either a one-way or roundtrip ticket. TVMs accept cash, VISA or MasterCard. You cannot purchase tickets once on board, so please have valid fare before getting on the train.

One-way adult ticket cost: \$3.00 (from Sea-Tac to downtown Seattle)

The map below outlines the many stops between Sea-Tac Airport and downtown Seattle. All/most of the earlier stops exit at ground level. The last 4 stops will be in an underground tunnel; you will need to use the escalators/elevators to then reach ground level. To reach Seed IP Law Group, you will want to exit the train at the Pioneer Square Station. Most downtown hotels can be accessed by taking any of the last three stops, with Westlake Station being at the absolute center of Seattle's downtown core.
